

Eco-Schools and the Curriculum

As you are aware our school is currently involved in Eco-Schools' Green Flag award programme. The Eco-Schools programme focuses on these ten topics:

- Biodiversity
- Energy
- Global Citizenship
- Healthy Living
- Litter
- Marine
- School Grounds
- Transport
- Waste
- Water

In order to achieve a Green Flag award, our school needs to demonstrate that we cover a variety of these environmental issues in our curriculum work. If you teach any content that links to any of these topics throughout the year, please indicate on the table below and hand back to an Eco-Committee member. This will enable the Eco-Committee to gather the curriculum evidence our school needs to achieve a Green Flag award.

Subject: Food and Nutrition			
Topic	Year Group	Term	Details
Healthy Eating	7, 8, 9, 10, 11		Nutrition is discussed throughout based on Eatwell Guide.
Marine	9, 10, 11		Fish Project - Sustainability of fish/fishing
Transport	9, 10, 11	1(9)	locally sourced food; food miles.
Waste	9	1-1	Re-using trolleys.
Global Citizenship	9, 10, 11	1-2 10-2	Fair trade.
Litter	10, 11		Food packaging.

Eco-Schools and the Curriculum

As you are aware our school is currently involved in Eco-Schools' Green Flag award programme. The Eco-Schools programme focuses on these ten topics:

- Biodiversity
- Energy
- Global Citizenship
- Healthy Living
- Litter
- Marine
- School Grounds
- Transport
- Waste
- Water

In order to achieve a Green Flag award, our school needs to demonstrate that we cover a variety of these environmental issues in our curriculum work. If you teach any content that links to any of these topics throughout the year, please indicate on the table below and hand back to an Eco-Committee member. This will enable the Eco-Committee to gather the curriculum evidence our school needs to achieve a Green Flag award.

Subject: English			
Topic	Year Group	Term	Details
Icons	9	4	e.g. + Malala, Greta Thunberg - oracy + debate
Dickens	8	3	Industrial revolution.
Power + Conflict act 1	9-11		The power of nature.
Reading week	7, 8, 9	4	Adventures - & creative writing e.g. Climbing Everest
Writing to argue	11	1	paper 2 - articles on litter / protecting the environment

Eco-Schools and the Curriculum

As you are aware our school is currently involved in Eco-Schools' Green Flag award programme. The Eco-Schools programme focuses on these ten topics:

- Biodiversity
- Energy
- Global Citizenship
- Healthy Living
- Litter
- Marine
- School Grounds
- Transport
- Waste
- Water

In order to achieve a Green Flag award, our school needs to demonstrate that we cover a variety of these environmental issues in our curriculum work. If you teach any content that links to any of these topics throughout the year, please indicate on the table below and hand back to an Eco-Committee member. This will enable the Eco-Committee to gather the curriculum evidence our school needs to achieve a Green Flag award.

Subject: R.S.			
Topic	Year Group	Term	Details
Global citizenship	Y8	Summer	Students study the Holocaust + reflect on human rights, freedom, justice
Energy/Litter/Waste	Y10	SPRING	Religion + Life unit - students study impact of humans on environment, impact of renewable/non-renewable resources + pollution.

Ms Crisby

Eco-Schools and the Curriculum

As you are probably aware our school is currently involved in Eco-Schools' Green Flag award programme. The Eco-Schools programme focuses on these ten topics:

- Biodiversity
- Energy
- Global Citizenship
- Healthy Living
- Litter
- Marine
- School Grounds
- Transport
- Waste
- Water

In order to achieve a Green Flag award, our school needs to demonstrate that we cover a variety of these environmental issues in our curriculum work. If you teach any content that links to any of these topics throughout the year, please indicate on the table below and hand back to an Eco-Committee member. This will enable the Eco-Committee to gather the curriculum evidence our school needs to achieve a Green Flag award.

Subject: <i>MUSIC</i>			
Topic	Year Group	Term	Details
<i>African</i>	<i>Y7</i>	<i>*</i>	<i>} Each of these topics explores different cultures + ways of living, which all encourage a sense of global citizenship.</i>
<i>Latin America</i>	<i>Y8</i>		
<i>Blues</i>	<i>Y9</i>		
<i>Fusion</i>	<i>Y10/11</i>		
<i>Jazz</i>	<i>Y12/13</i>		

We would love to collect examples of any particular projects/topics that have really strong link to sustainability. Please let us know if you have any and we can take photographs or collect samples of work.

** Music teaches topics at different times of the year within each year group, so can't put down to any one term.*

Mr Wesh

From Matthew Warren,
please hand to Mr Preston/Hickman
to give back to me. This only needs to
be very brief, but is for both
Economics and Business.
Thanks, Matthew

Eco-Schools and the Curriculum

As you are probably aware our school is currently involved in Eco-Schools' Green Flag award programme. The Eco-Schools programme focuses on these ten topics:

- Biodiversity X
- Energy
- Global Citizenship X
- Healthy Living X
- Litter X
- Marine X
- School Grounds X
- Transport
- Waste X
- Water X

In order to achieve a Green Flag award, our school needs to demonstrate that we cover a variety of these environmental issues in our curriculum work. If you teach any content that links to any of these topics throughout the year, please indicate on the table below and hand back to an Eco-Committee member. This will enable the Eco-Committee to gather the curriculum evidence our school needs to achieve a Green Flag award.

Subject:			
Topic	Year Group	Term	Details
Negative Externalities	12	2/3	Very briefly cover both transport and energy but only the negative effects of them -
Government trade ^{off}	13	1	Consider environmental effects of growth of economy and government priorities

VS investing in sustainable energy eq. etc.

We would love to collect examples of any particular projects/topics that have really strong link to sustainability. Please let us know if you have any and we can take photographs or collect samples of work.

Ms Hamph
