## Important Information about Year 11 Mock Exams

6 November 2023

Dear Parents/Carers,

Please find attached the timetable for the forthcoming Year 11 mock exams. The main bulk of written examinations will take place between Friday 1 December until Wednesday 13 December 2023.

In addition:

- There will be French, German and Spanish speaking tests the week beginning 27 November, which are arranged with individual teachers with students. Students will be given these dates and times shortly.
- The Photography practical assessment will take place on Wednesday 29 November.
- The Art practical assessment will take place on Thursday 30 November.
- The PE practical assessment will take place on Friday 15 December.

Students will receive a more detailed timetable in due course, including which specific rooms their exams are in. Students will be expected to attend registration first unless otherwise stated. They must then make their way to the exam room if they have an exam.

We will be conducting the exams under formal exam conditions, therefore there must be silence upon entering and leaving the exam room as well as during the exam. Students must not take any type of device into the exam room, such as a mobile phone or smart watch. All writing equipment must be in a clear, see-through pencil case or plastic bag and any water bottles must be clear/see through, without writing on them and have any labels removed. Students must be in full school uniform.

In order to support the students in these important mock exams, students will benefit from revision time in lessons, as detailed on the exam timetable. Students should come prepared for the day with revision materials and subject books if attending normal lessons.

There are already revision sessions in place, for which students have timetables and revision guides have also been ordered as per requests. Please see the bulletin for updates about revision sessions.

If you have any further questions, please contact any of the following staff:
