

HARROGATE
GRAMMAR SCHOOL
EXCELLENCE FOR ALL

21 November 2023

Dear Parent/Carer

Sports Leadership Level 2 Qualification – Year 10

We would like to offer your son/daughter the opportunity to work towards the Level 2 Qualification in Community Sports Leadership during their core PE lessons.

How it works

This is a nationally recognised qualification that enables successful learners to lead purposeful and enjoyable sport/physical activity sessions under indirect supervision. Key content of the course involves developing leadership skills such as organisation, planning, communication and teamwork through sport. Students will work towards leading small groups in Year 7 lessons, extra-curricular clubs and Western Primary School's Sports Day at the end of the year.

The training for this qualification will take place during core PE lessons over the year. There will be two Sports Leaders lessons and two core PE lessons each fortnight. After completing the qualification, your child will be able to reference the course in their CV or personal statement as evidence of the skills they have developed.

Students are required to complete both written and practical assessments throughout the course. Students must be prepared to meet deadlines for their written assessments on top of their other commitments to pass. As this qualification is extremely popular, we will be offering the qualification to a maximum of 24 students from each population. There will be a fair selection process to decide which pupils will be accepted, based on an assessment of their written application.

Next steps

If you agree to your child taking part in this training to gain their Sports Leaders Level 2 qualification, please complete an online consent form by clicking [here](#) by Monday 11 December.

All interested students are required to write at least one paragraph explaining why they would like to undertake the Sports Leaders qualification, and why they think they would make a good Sports Leader for Harrogate Grammar School. Your son/daughter's paragraph of interest should be submitted as part of the [online consent form](#) by Monday 11 December. Selected students will be notified by Friday 15 December.

Costs

The cost to complete this Sports Leader Level 2 qualification will be c£62 to cover the cost of the course and a Sports Leader hoodie.

The department hopes that your son/daughter will apply for the qualification. It will provide them with various opportunities to assist in leading events and fixtures that will assist the school community.

Yours sincerely

Mr Crawshaw

Teacher of Physical Education and Sport
