Dear Parent/Carer

**Year 11 Reaching for Success Parent Information Evening**

**Tuesday 23 January 2024: 6pm in the Forum**

After the Christmas break we would like to invite Year 11 parents/carers to a number of presentations about supporting students in preparation for the final GCSE examinations. These will be delivered by key staff in school.

We have been very impressed by the focus and commitment of Year 11 students in this first term. This has clearly been demonstrated over the last couple of weeks during their mock exams. The students have conducted themselves in a manner that has shown maturity and a commitment to succeed. We wish to capitalise on this and talk through some strategies that we will be encouraging students to use at home and how parents can best support them in doing this.

This evening will take place in the Forum in our Sixth Form building at 6pm and will include the following:

- A look ahead to the Spring Term including key dates for your diary
- A detail of the support available to students in the run up to their GCSE examinations during the Summer
- A presentation from Dr Robson and Miss Smith focussing on exam success
- Presentations from Mrs Dunne and Mr Hill focussing on English and Maths

If you are able to come along to this evening, please do book your place using this [link](#).

We look forward to welcoming you to this information evening. We ask that students do not attend as the evening is designed for parents.

Yours sincerely

**Mr N Mason**  
Assistant Headteacher, Director of Upper School
