

Subject	Mandarin Chinese GCSE
Context	https://youtu.be/NYWisfnYu9U?si=b-oajT2M8B-bnKot
Securing	A task that requires students to learn some information through a short video course. They should focus on understanding the content of the video. This knowledge should be quizzed in the first week.
Processing	This course is designed to provide students with a comprehensive understanding of the basics and fundamentals. By engaging with the course material, students will be able to build a strong foundation in the subject matter. The content is structured to gradually introduce key concepts, ensuring that students grasp the essential principles before moving on to more complex topics. Through a combination of instructional videos, interactive activities, and practical examples, this course aims to make the learning process both informative and enjoyable. By the end of the course, students will have a solid grasp of the core fundamentals, enabling them to confidently apply their knowledge in various contexts.
Exploring	This course will assist students in gaining a foundational knowledge and understanding of the fundamentals. Throughout the duration of the course, students will be introduced to key concepts and essential principles that form the backbone of the subject. By engaging with the carefully curated material, students will develop a basic yet solid grasp of the topics covered. The course is designed to be accessible and engaging, ensuring that students can follow along and absorb the information effectively. Through a mix of theoretical explanations, practical examples, and interactive activities, students will find the learning experience both enriching and enjoyable. By the end of the course, students will have acquired a fundamental knowledge base, empowering them to build upon this foundation in their future studies or professional endeavours.
Reviewing	Reflect on what you have learned through this work by doing the following: <ul style="list-style-type: none"> • Note down 5 new things that you found most interesting • What did you find most challenging and what did you feel most confident on? • Write down 3 questions that you would like to ask your teacher about the topic you have focused on in this work.
