Career Pathway Talks

Students took part in their first of three, career pathway talks this week. 14 speakers from a range of sectors - including film & TV, World Rugby, Mechanical Engineering, Accountancy, Law, NHS, logistics, surveying – takes place for Year 12 to listen to, question and learn from.

Talks consisted of a personal history of the speaker, guiding students through their journey to this point in their career plus advice on how, in the modern world, students can pursue these careers with their associated companies.

The next talk will be held on the 21 January 2025 when a new range of speakers, from diverse fields, will be available. Click the video to watch a snapshot of the day.
