

Careers Education Information and Guidance at Harrogate Grammar School

Entitlement Statement 2024-2025

Entitlement Statement

Entitlement statements are not just for learners alone they must encompass staff and parents as well. They tell all parties what they can expect, what is expected of them and are useful because:

- They clearly set out what the learner, parent/carer, staff member can expect and everyone knows where they stand
- They help to ensure that the needs of particular groups of learners are taken into account
- Learners and their parents/carers can make better use of the provision they know is available and enables them to feedback their view on areas for development.
