Dear Student (cc Parent/Carer)

## Year 9 Options

We know that this is an important time in your education, and you now need to choose which subjects you would like to study in Years 10 and 11 following the assembly yesterday. To help you to decide, please use all the information below as well as talking to your parents to discuss your option choices. You can also speak to your class teachers directly if you are unsure which subjects to choose, or if a new subject, such as Business Studies or Sociology, to the teachers of that subject area.

This year, we would like to invite parents/carers to a Curriculum Choices Presentation Evening in the Main Hall at 6.30pm on Thursday 16 January 2025.

HGS has an outstanding record in enabling students to make progress significantly beyond the national average. You will be supported throughout the two years to achieve the best results you can, but also to develop the knowledge and skills which will support your progress onto the next stage beyond GCSE.
