

20 January 2025

Dear Parent/Carer

Year 11 Reaching for Success Parent Information Evening

Tuesday 11 February 2025: 6.30pm in the Forum

We would like to invite Year 11 parents/carers to a number of presentations about supporting students in preparation for the final GCSE examinations. These will be delivered by key staff in school on Tuesday 11 February.

We have been very impressed by the focus and commitment of Year 11 students in this first term and the start of this Spring Term. This was clearly demonstrated during their mock exams. The students have conducted themselves in a manner that has shown maturity and a commitment to succeed. We wish to capitalise on this and talk through some strategies that we will be encouraging students to use at home and how parents can best support them in doing this.

This evening will take place in the Forum, accessed via the Sixth Form entrance at 6.30pm and will include the following:

- A look ahead including key dates for your diary
- Detail of the support available to students in the run up to their GCSE examinations during the Summer
- Presentations focussed on revision and study skills from English, Maths and Science

If you are able to come along to this evening, please book your place using this [link](#).

We ask that students do not attend as the evening is designed for parents and is typically well attended. We look forward to seeing you and supporting students in the final run up to exams.

Yours sincerely

Mr N Mason
